

# EARTH DAY 2010

## EARTH DAY, APRIL 22

This Earth Day, start living a “greener” lifestyle, not just on Earth Day, but every day.

## MAKE A COMMITMENT AND TAKE ACTION

Make the 3 R’s a habit at the office.

**Reduce** the amount of paper and electricity used; **Recycle** paper/cardboard, aluminum cans, and batteries; **Reuse** office supplies such as file folders.

## LEARN, TEACH, SHARE

Share what YOU are doing for Earth Day, learn about how Earth Day began, and teach others the importance of environmental protection.
